

## **PRESS RELEASE**

### **Consob stops Carige shares exchanges up to the publication of a press release.**

Consob decided today, November 12, 2018 (resolution n. 20687), to suspend Carige shares exchanges for the whole session of today of stock market negotiations. This measure will be in force up to the publication by Carige itself of a Press Release at the end of today's Board of Administrators. The measure, based on Mifid 2 articles 32 and 52 on European trading venues, applies to regulated markets as well to multilateral trading platforms.
