

## **CALL FOR EXPRESSIONS OF INTEREST**

### **Selection of members of the Committee of Market Operators and Investors.**

[With Resolution no. 20477 of June 12, 2018](#), CONSOB established the Committee of Market Operators and Investors at CONSOB (hereinafter the 'Committee') and adopted the related Founding Charter.

The Committee has the function of facilitating confrontation and dialogue with stakeholders. In particular, the Committee shall express the opinion of market operators and investors on rules and regulations and any other general provisions that CONSOB may bring to its attention concerning matters within CONSOB's jurisdiction.

The Committee shall be formed by a maximum of 30 members selected from a list of 50 people with specific and recognised experience and professionalism, so as to ensure the correct balance between roles, professional experiences and genders, as well as the ability of the Committee to express the point of view of market operators - including technology companies and small and medium sized enterprises -, of investors and consumers of financial services, of universities and research centres.

Pursuant to the Founding Charter, the members of the Committee shall be appointed by CONSOB following a public selection procedure open to individuals as well as professional associations.

The Committee shall identify a Chairman and a Deputy Chairman among its members. CONSOB shall appoint a Committee Chairman, who will remain in office for the first two years of the Committee.

With this call, CONSOB initiates the procedure for the appointment of members of the Committee.

Market operators and experts from the academia are therefore invited to express their interest in being appointed as members of the Committee

Experts from the academia and research centres must be independent of the interests of market operators.

Professional associations, even jointly, and associations represented in the National Council of Consumers and Users (CNCU in the Italian acronym), are invited to submit CONSOB their candidates.

The term of office is two years and may only be renewed once. Committee members will receive no fee for their services, notwithstanding that members other than market operators will be entitled to refund of travel and accommodation expenses (if any) borne for participation in the meetings of the Committee.

The Committee's meeting shall be held, as a rule, at CONSOB offices in Milan, on a quarterly basis as a minimum.
