CALL FOR PAPERS

Securities markets: trends, risks and policies

March 12, 2020 – Bocconi University - Milan

CONSOB, ESMA and Bocconi University, through its BAFFI – CAREFIN research center, are organizing a conference on securities markets aimed at attracting original and highly policy-relevant research, on the following issues.

1. financial innovation in securities markets: FinTech, RegTech and SupTech
2. market microstructure, post-trading and market efficiency
3. ESG: non-financial information, asset management, value creation
4. corporate governance: board functioning, shareholders engagement and remuneration
5. financial services, investor protection and financial education

Interested authors should submit their paper to the e-mail convegni@consob.it by September 23, 2019. Papers submitted in a preliminary version may also be considered, provided that the aim of the research, the methodological approach and the main results are clearly outlined. Papers based on European data and/or with relevant policy implications will be particularly appreciated. Submissions by European Supervisory Authorities and other National Competent Authorities will also be encouraged with the aim of strengthening the debate on financial supervisory issues.

Papers will be selected through a refereeing process managed by a scientific committee chaired by Massimo Guidolin (Bocconi University), Claudia Guagliano (ESMA) and Nadia Linciano (CONSOB) and endorsed by a steering committee composed of Donato Masciandaro (Bocconi University), Steffen Kern (ESMA) and Carmine Di Noia (CONSOB).
