

CALL FOR PAPERS

THE DEVELOPMENT OF SECURITIES MARKETS. TRENDS, RISKS AND POLICIES

February 27, 2015, Milan

CONSOB and Bocconi University, through its CAREFIN and “Paolo Baffi” research centers, are organizing a conference on securities markets aimed at attracting original and highly policy-relevant research, on the following issues:

- 1 – financial innovation and systemic risk in securities markets;
- 2 – market microstructure, trading strategies and market efficiency;
- 3 – post-trading market infrastructures, derivatives clearing and financial stability;
- 4 – securities markets as a source of capital;
- 5 – corporate governance quality and the development of securities markets;
- 6 – investor protection and trust in securities markets (also in a behavioral finance perspective).

Interested authors should submit their paper to the e-mail studi_analisi@consob.it by November 16, 2014. Papers submitted in a preliminary version may also be considered, provided that the aim of the research, the methodological approach and the main results are clearly outlined.

Papers will be selected through a refereeing process managed by a scientific committee chaired by Massimo Guidolin (Bocconi University), Giovanni Siciliano (Consob) and Nadia Linciano (Consob) and composed by:

- Mario Anolli, Cattolica University
- Andrea Beltratti, Bocconi University
- Alessandro Beber, Cass Business School
