

## PRESS RELEASE

### **Memorandum of Understanding between the Bank of Italy, AGCM, Consob, ANAC, IVASS and ACN for the procurement of goods, services and works**

Consob, the Bank of Italy, the Italian Competition Authority (AGCM), the National Anti-Corruption Authority (ANAC), the Italian Insurance Supervisory Authority (IVASS) and the National Cybersecurity Agency (ACN) have renewed the [Memorandum of Understanding](#) for the management of joint tender procedures for the procurement of goods, services and works, in accordance with the provisions of Legislative Decree no. 36 of 31 March 2023.

The agreement was signed pursuant to Article 15 of Law no. 241/1990 for a period of five years and with the possibility of renewal. The Memorandum defines the methods of coordination between the participating entities, aimed at identifying joint public procurement strategies, to meet common procurement needs.

The Memorandum of Understanding is a continuation of the fruitful cooperation already experienced between the Authorities in matters of expenditure and is in line with the regulations of the new Code on Public Contracts.

This legislation focuses, among other things, on the qualification of contracting authorities and on cooperation between administrations, with the aim of implementing increasingly efficient shared procurement strategies, including with a view to the common development of complex and innovative projects.
