

PRESS RELEASE

Double-digit growth in 2023 for profits of banks (+67%) and insurance companies (+66) listed on the Milan Stock Exchange. Down are the results of other listed companies (-19.5%) and companies traded on egm (-27%): data in the latest Consob Statistical Bulletin

Soaring profits in 2023 for banks and insurance companies listed on the Milan Stock Exchange on the main market, Euronext Milan (Exm), up 67% and 66% respectively compared to 2022. Sharply declining results, on the other hand, for other listed companies (-19.5 percent net income in 2023 year-on-year) and for companies traded (-17 percent) on Euronext Growth Milan (Egm), the unregulated trading platform created to facilitate the access of Small and Medium Enterprises (SMEs) to the capital market.

These are the key numbers in the third part of [Consob's Statistical Bulletin](#) for 2023, published today on the Institute's website.
