

Fifty years of Consob: between the present and the future

Reflections in Bocconi

Consob (Commissione Nazionale per le Società e la Borsa) and **Bocconi University** are organising a study day on the occasion of the fiftieth anniversary of the birth of the Financial Markets Regulatory and Supervisory Authority in Italy.

The study day intends to investigate the challenges on the role and functions of Consob in the context of the evolution of financial markets, the transformations underway and the process of integration of capital markets at European level, with interventions from authoritative experts in the relevant scientific subjects and institutions.

14 March 2025

9 a.m. - 4:15 p.m.

SDA Bocconi School
of Management
